Animals and Thunder Road Race Cars Are Coming to Barre

BARRE ROTARY ART SPLASH

This is the fourth time the Barre Rotary Foundation has undertaken this exciting fund-raising project.

Make plans to host a decorated fiberglass animal or Thunder Road race car for the summer of 2027. Well-known artists of Vermont will decorate them. The animals and race cars will be on display from Memorial Day weekend through Labor Day weekend on North Main Street in beautiful downtown Barre and will be auctioned off on September 11, 2027, at 4 PM at The **Barre Rotary Art Splash** Auction & Gala at The Vermont Granite Museum in Barre.

Note: Race cars will be 1932 Ford Three-Window Coupes, 1934 Ford Five-Window Coupes, Late Models & Mini Stock VWs from Thunder Road.

How Does the Barre Rotary Art Splash Work?

Artists from the area and artists with ties to the area will decorate the art items during the fall and winter of 2026-2027.

Sponsors looking for a design to complement their business can contact a Barre Rotary Foundation officer, and we will work with you to organize a meeting with an artist to create a design specific to your business. Club officers are listed on the bottom right side of the home page of our website, www.barrevtrotary.org. The Artists will then transform their art items for the May unveiling. Animals and race cars will be on display from Memorial Day through Labor Day on Main Street in Barre.

Sponsors will have the choice of the art objects being displayed in front of their business if it is on North Main Street.

Where do the Art Items Go After the summer?

Following their summer on display, the animals and race cars will be auctioned off at The **Barre Rotary Art Splash** Auction & Gala at the Vermont Granite Museum, September 11, 2027. In profound appreciation for the artist's work, they will receive a 30% share of the gross amount that the art item brings at auction. The net proceeds will then go to The Barre Rotary Foundation to fund many of the "good works" projects that the club does regularly.
