Hands to Honduras-Tela

-Volunteer Service: international, educational, humanitarian, culturally enriching, life changing, humbling

-Mission: to create positive change and a better life for the children and families in the community of Tela, Honduras

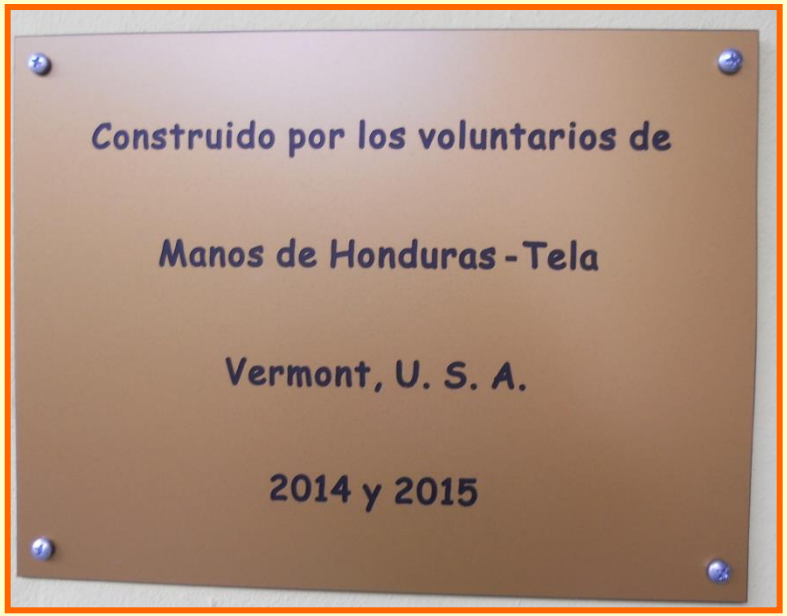

Work together

Project completed, H2HT signs are installed

Las Palmas School – 76 students 2008 – 2015

How H2HT made a difference for a school in great need

Constructed double sized classroom and divided into two rooms and installed heavy metal doors and window bar coverings

Constructed 4 latrine stalls and wash areas

Constructed cements sidewalks

Water systems installed

Completed 2nd double sized partially built classroom and installed heavy metal doors and window bar coverings

Painted interior/exterior of entire school campus

Electricity installed

42 desks refurbished with new handmade desktops

Campus grounds raked and cleaned

Provided school supplies and school cleaning supplies

Provided school uniforms for students whose families cannot provide

Provided Fluoride Clinics and education for tooth care and nutrition for all students and teachers

patients waiting

3 days of free fluoride clinics

H2HT Provided:
- Fluoride applications for over 700 children
-1,000 toothbrushes, 750 toothpaste
-additional applications for teachers to administer in six months
- Training for teachers

Las Palmas School

Policarpo Bonilla School

Tres de Mayo School

What happens when kids drink Coke

Kids waiting in line for fluoride and toothbrushing

Project: Literacy, School Supplies and Books

Over 600 children's books were distributed to schools including 400 Spanish/English workbooks. Over one hundred pounds of school supplies were given.

Happy teacher at Las Palmas when she received supplies for students and items to clean the school
