BARRE ROTARY ART SPLASH

Animals and Thunder Road Race Cars Are Coming to Barre

This is the third time that The Barre Rotary Club is doing this exciting fund-raising project.

Make plans to host a decorated fiberglass animal or Thunder Road race car for the summer of 2025. They will be decorated by well-known artists as well as The Paletteers of Vermont. The animals and race cars will be on display from Memorial Day weekend through Labor Day weekend on North Main Street in beautiful downtown Barre and will be auctioned off on September 06, 2025 at 4 PM at The **Barre Rotary Art Splash** Auction & Gala at The Vermont Granite Museum in Barre.

Note: Race cars will be 1932 Ford Three Window Coupes, 1934 Ford Five Window Coupes, Late Models & **NEW THIS YEAR**, Mini Stock VWs from Thunder Road.

How Does the Barre Rotary Art Splash Work?

The Barre Paletteers and other artists will decorate the art items during the fall and winter of 2024-2025.

Sponsors looking for a design to complement their business can contact a Barre Rotary Club officer and we will work with you to organize a meeting with an artist to create a design specific to your business. Club officers are listed on the bottom right side of the home page of our web site, www.barrevtroty.org. The Artists will then transform their art items for the May unveiling. Animals and race cars will be on display from Memorial Day through Labor Day on Main Street in Barre.

Sponsors will have the choice of the art objects being displayed in front of their business if it is on North Main Street.

Where do the Art Items Go After the summer?

Following their summer on display, the animals and race cars will be auctioned off at The **Barre Rotary Art Splash** Auction & Gala at the Vermont Granite Museum, September 06, 2025. In profound appreciation for the artist's work, they will receive a 30% share of the gross amount that the art item brings at auction. The net proceeds will then go to The Barre Rotary Foundation to fund many of the "good works" projects that the club does on a regular basis.

How do you come up with the \$425.00 sponsor fee? Be creative....Partner with another business to sponsor an animal or a race car. Or maybe collaborate with....

- | | |
|--------------------------|--|
| A neighboring business | Your local contractor or engineer |
| Your local landscaper | Your financial institution |
| Your favorite purveyor | Community organizations |
| Your local fuel provider | Some of your board members |
